249 ARGENTINA A Collection of 44 different Argentine medals dated between 1880 and 1928. In copper, silver, silver-plated and various coin metals. Most are crown size or larger; all are commemorative issues, many with busts, railroads, ships, etc. Most are EF or better. 325.00

MINOR COINS OF THE WORLD

THIS LIST FEATURES A LARGER SELECTION OF INTERESTING MINOR COINS than many of our previous bulletins. Our recent observation has been that collectors are very actively pursuing these smaller-size coins for their type and date collections. There is logic in this manner since these coins are often more attractive than their corresponding crowns and almost invariably underpriced relative to the larger pieces.

MINOR COINAGE OF THE ARABIC WORLD

LAST JULY WE ISSUED A SPECIAL 20-PAGE LIST FEATURING ONLY ARABIC COINAGE: It set a record for the largest percentage of offered items receiving orders (over 75%). Since then we have offered some Arabic coins on most of our regular worldwide lists. Those listings have also proven very popular. Consequently, we have made an effort to offer a nice group of Arabic world coins by type herein.

Future lists will continue to feature selected Arabic items.
